

# INTRO PARAGRAPH TEMPLATE

The goal for your intro paragraph is to quickly provide the reader with 3 things:

1. An opening, general "blah-blah-blah" sentence or a "hook."
2. The answer to the question (the response to the prompt)
3. A statement with your two reasons (your thesis)

Let's say the topic is the following:

**PROMPT**

What celebrity do you most admire and why?

Here is an intro paragraph for this topic:

Some people may think celebrities are only for fun and entertainment, but many celebrities are also admirable. One celebrity I admire is Taylor Swift. I look up to Taylor Swift for her genuinely caring nature, and for how hard she works despite the challenges throughout her career.

Now try writing your own intro paragraph to the above prompt:
